### CONSULTATION AGREEMENT & TERMS

All services will be paid at the negotiated "per person" rate. Client is responsible for the cost of mileage and parking fees (if necessary). I agree to and have paid a 50% (NON-REFUNDABLE) retainer to secure my date and will pay the balance, in full, one month before my wedding date by cash or check made payable to Julie McCary. I understand that if I do not alert the stylist of changes within three months of my wedding date, I am still responsible for the total cost, even if the number of people receiving services has lessened. If stylist is required to stay over discussed time it will be at a rate of \$100/hr.
